Word from the Honorary President of the 2024 golf tournament

Dear golfers and partners,

It was with great pleasure that I agreed to be the honorary president of the 35th Mission inclusion Golf Tournament for the benefit of vulnerable youth in Quebec. Young people and their development is a cause I have always cared about. That concern is reflected every day in Groupe DCR's philosophy: we're a family.

Solidarity and inclusion too have always been part of our core values. So I am particularly proud to join forces with Mission inclusion to support the community.

The Mission inclusion Golf Tournament isn't just a prestigious sporting event but also an opportunity to make a difference in the lives of young people. I hope you will be part of the tournament and support this cause that is so dear to my heart.

François Sansfaçon Hamel
