

Your generosity makes a difference in the lives of families in Quebec!

Cycling for Inclusion 2024 by Mission inclusion took place on Sunday, May 26th in Terrebonne as part of the Vélo Québec Metropolitan Challenge.

In a friendly and sunny atmosphere, 80 cyclists gathered to enjoy the beautiful roads of the Lanaudière region and ride between 60 and 163 km!

This year, \$116,000 was raised to support Mission inclusion's causes, including:

- **\$62,000 from Cycling for Inclusion**, which will directly support vulnerable children and families in Quebec.
- **\$55,000 from Ubisoft**, which will be directly allocated to climate justice and the environment.

Whether you are cyclists, donors, team leaders, or sponsoring companies, these actions are made possible thanks to you!

Thank you !

Message from the Members of the Organizing Committee

Dear participants and partners,

We warmly thank you for your participation in Cycling for Inclusion by Mission inclusion, benefiting families and children in Quebec, climate justice, and the environment.

Thanks to you, our annual event raised \$116,000 for community organizations dedicated to the well-being and future of many families in need, as well as the well-being of our planet. Thank you for your generous support.

Even today, many families face difficult living conditions. Some need support to develop parenting skills, or respite and assistance to prevent distressing situations. Additionally, too many children still suffer from violence and abuse and lack access to education. This is why Mission inclusion has made children and their families a priority, working with partners who defend children's rights and promote family autonomy in Quebec.

Thank you for believing in the importance of our mission.

Foyer du Monde, a Unique Place for Families in Vulnerable Situations

Since its founding five years ago, Foyer du Monde has played a vital role in the community by offering refuge and comprehensive support to migrant families in vulnerable situations. Located in a former rectory, the organization provides temporary housing for a period of 3 to 24 months for asylum seekers, undocumented individuals, and refugees in Montreal.

In addition to providing shelter and meals, Foyer du Monde actively supports these families with administrative procedures, offers psychosocial support, French language courses, socio-cultural activities, employment assistance, and provides clothing through its thrift store. Furthermore, the organization assists resident families in their search for apartments and with subsequent moves.

Key Results to Date

- 48** individuals sheltered
- 80 %** are single-parent families
- 16 months** the average stay duration
- 20** number of countries participants come from

« Foyer du Monde is unique due to its flexibility and intercultural approach, informed by dialogue with families and the co-construction of the intervention plan. »

Community Engagement and Strong Partnerships

Foyer du Monde has established strong partnerships with various community and institutional actors, including daycare centers, health centers, humanitarian organizations, and food banks. These collaborations enhance the organization's impact by expanding its support network and providing residents with access to a wide range of essential services.

Thank You for Your Support

Foyer du Monde is much more than a temporary shelter. It is a warm home where migrant families find refuge, support, and hope for a better future. Its participative model, strong partnerships, and commitment to the dignity and autonomy of residents make it an essential player in promoting integration and combating homelessness among migrant families in Quebec.

In conclusion, supporting these initiatives in which you actively participate truly contributes to creating a lasting impact in our communities. Your generosity goes far beyond a simple act of donation; it is the driving force that propels our efforts towards better tomorrows.

With all our gratitude, THANK YOU!

Participative Governance and Civic Engagement

Resident and members engagement is at the heart of Foyer du Monde's operations. With an active community of over a hundred members, the organization benefits from a diversity of expertise and experience that contributes to its continuous development. Participation in local and national roundtables demonstrates Foyer du Monde's commitment to a collaborative approach in addressing immigration and integration challenges.

Economic and Social Impact

In addition to its direct social impact, Foyer du Monde also contributes to the local economy through initiatives such as the community garage sale, which promotes integration with neighbors while generating funds to support its activities.
