PLAY WITH PURPOSE, SWING FOR INCLUSION!

At Mission inclusion, we believe that real impact is built on the front lines, where needs are most urgent and the levers for change are most concrete.

By putting people and communities at the heart of our work, we support initiatives that **transform living environments, reduce social inequalities, and strengthen grassroots leadership.**

Your partnership drives gender equality, housing rights, and climate justice so everyone can live in a healthy environment and thrive in sustainable communities across Quebec.

Participating in the Mission inclusion Golf Tournament means choosing action, joining a network of committed leaders, and driving tangible, lasting and deeply human change, one swing at a time.
